Materials

Increase fusible fleece from 1 1/4 to 1 3/4 yd.

Increase coordinate

1/4 yd coordinate fabric needed for handles***

If you would like to make the sides and bottom different from the main fabric modify requirements to

1/3 yd coordinate***, 1/2 yd main fabric

***1/2 Yd coordinate is sufficient if you are making handles, sides and bottom the same.

Sides and bottom are listed as coordinate 3 on chart. This can be main fabric or coordinate.

Handles are listed as coordinate 3 on chart. This can be handle fabric or coordinate.
